

If you have troubles opening our finance application form or net worth, please follow the instruction below.

Open Chrome and paste this URL <u>chrome://settings/content/pdfDocuments</u> or click on settings in the menu options and go to "Privacy and security"  $\rightarrow$  "Site Settings"  $\rightarrow$  "Additional content settings"  $\rightarrow$  "PDF Documents". Then make sure the "Download PDF files instead of automatically opening them in Chrome" is toggled on. It should look something like this.

Settings			Q Search settings
<b>.</b>	You and Google		$\leftarrow$ PDF documents
Ê	Autofill		
Ø	Safety check		Download PDF files instead of automatically opening them in Chrome
•	Privacy and security		
æ	Appearance		
Q	Search engine		
	Default browser		
ባ	On startup		
Advar	nced		
Extensions		Z	
About Chrome			

Please feel free to call if you have any further questions.
