Terms & Conditions

Liabilities

Any person attending the video sale at VJV Ponoka does so at his/her own risk. The sellers, sales committee, sale personnel and attendants assume no liability, legal or otherwise, for any accidents that occur.

The sellers, sales committee, sale personnel, and editors will not be responsible for errors or omissions that may inadvertently appear in the catalogue, or online.

Terms

The settlement will be based on the information stated in the catalogue and/or corrections from the auctioneer that is auctioning the sale, and payment will be made within the legal requirement under the Dealer's Act and determined when delivery is taken of the animals.

It is the seller's responsibility to ensure that all animals have Government regulated identification tags and that all documentation is provided to the buyer. (ie: RFID tags)

Buyers agree to a buyer's fee applied to the purchase price of all cattle at the sale to the rate of \$22.00 per head, which includes handling fees.

The seller has agreed to cover all government deductions, which include, Brand Inspection, A.B.P, S.P, and Insurance. All cattle consigned to the video sale will be covered with insurance for 2 weeks prior to delivery

When we say +/- is defined as no more or less than 10 head for calves & yearlings over or under the stated head count per lot.

If cattle are significantly heavier or lighter than the base weight at the time of weighing, a sales Rep might need to renegotiate at the time of delivery to make sure the pricing is fair based on video sale day pricing.

Responsibility & expenses

Both buyer and seller agree to stick to all contract obligations, even if the cattle market fluctuates.

On the day of delivery of the cattle, the seller and a VJV Livestock Marketing Group representative will be on hand to witness the weighing of the cattle.

Offsite Bidders, Sale Conditions

Bids may be accepted live at the sale, by phone with a VJV representative, or online via vjvauction.com on the day of the sale. The auctioneer has complete charge of the sale, and in case of a dispute in bidding, his decision is final.

All announcements made from the auction stand will take precedence over the printed matter in the catalogue and short list, as well as any information listed on videos.

PLEASE NOTE: Catalogue is subject to omissions, additions, errors, and changes. In case of omissions, errors or changes, a supplement will be provided on sale day.
